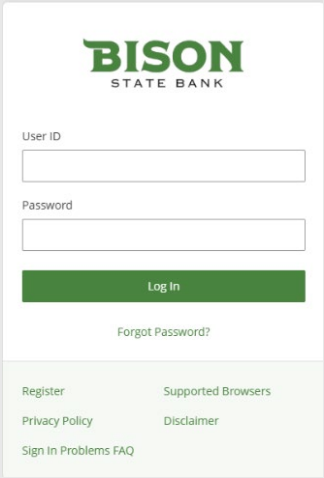
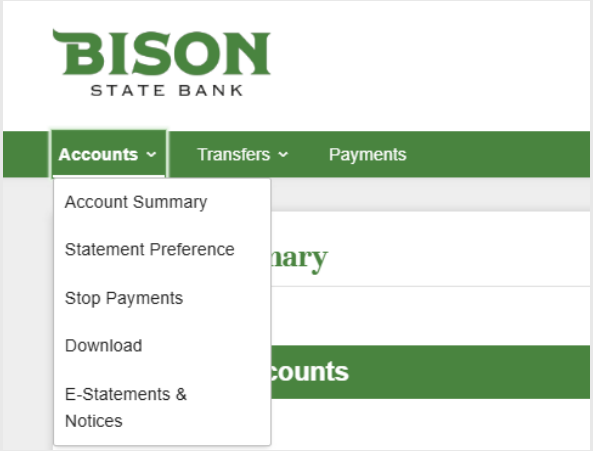
ONLINE E-STATEMENT INSTRUCTIONS:

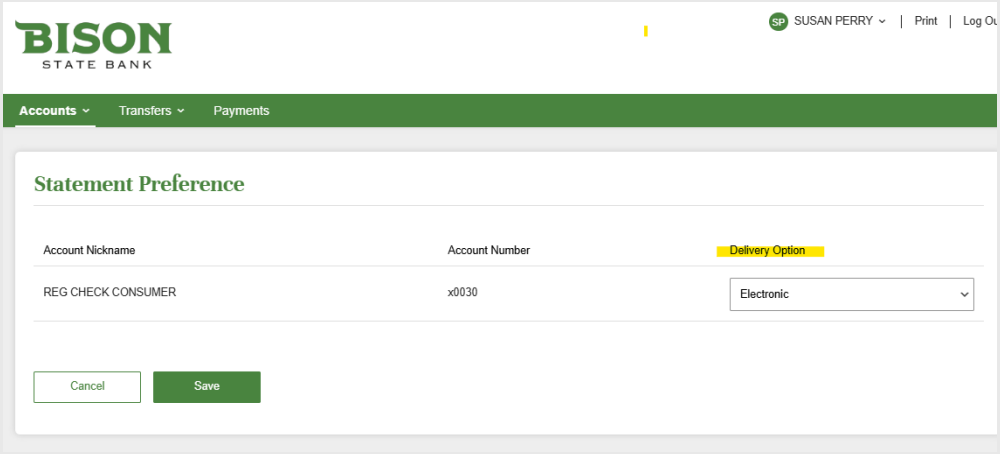
To update your account preferences, log into Online banking (link below).
https://bisonstatebank.onlinebank.com



Once you are logged into Online banking, click on the account you want to update (if you have multiple accounts); then select Accounts drop-down menu (top left). Scroll to the bottom and select Statement Preference.



Once Statement Preference is selected, the next option will allow you to enable the user to select the account and delivery option.



To verify if the account is set up for E-Statements, go back to the Accounts drop down menu and select E-statements & Notices. The account set up with E-statements will populate for review and you will be able to view or download the statement.
